**Submission :Highways England – Additional submission –3.1(b)Draft Development consent order (clean) and (tracked)**

**Comment: Re Part 3 Paras. 16 and 17**

There is no mention of local residents getting prior warnings of temporary /permanent road, closures, closures to private accesses ,public rights of way . We suggest at least 7 7 days- notice would be appropriate. Notifications through the LPA ,and or relevant Parish Councils could suffice.
