Dear M42 team,

Following the submission of D9 comments I would like to convey my deep disappointment that Highways England do not appear to have taken on board many of the ExA's recommendations. In particular there are several matters that have been partly or wholly dismissed. The Parish Council's comments remain as per our previous representations.

Given that submissions were only submitted yesterday afternoon we may wish to put in a further representation early next week when we have had chance to read through all the documents thoroughly.

Kind regards  
Jonathan Horton  
Bickenhill and Marston Green Parish Council
