Dear Sirs,

**Re. Representation of David and Camilla Burton of Church Farm Accommodation,
Church Lane, Bickenhill B92 0DN**

Deadline 10 Submission

We remain completely opposed to this entire project and feel that the construction will have a significant detrimental effect to our business, our home, our village and the surrounding area.

We are bitterly disappointed to read the latest submissions (deadline 9) by Highways England (The Applicant.) They have not taken on board any of the recommendations suggested by the Planning Inspectorate with respect to the issues we have raised all the way through this process. We have not changed our position on these matters and our opinion remains the same as written in our Deadline 8 and 9 submissions. We feel that although the inspectors have been supportive in our views the process has not ultimately changed many of the major aspects discussed during all the hearings and numerous written submissions.

Given that all the deadline 9 documents were only uploaded yesterday afternoon we have not had a reasonable amount of time to read them all thoroughly and we ask for more time to give our considered response. We can send in a further submission by early next week and we request this is accepted along with our previous submissions.

Regards,

Camilla and David Burton
