Dear Sirs

As you are aware, I act for High Speed Two (HS2) Limited in relation to the M42 Junction 6 improvements proposal.

Please note that my client does not intend to appear at this week's Compulsory Acquisition or Issue Specific Hearings, however, it would like to place on record that the Planning Performance Agreement ("**PPA**") between my client and the Applicant is still under negotiation and until such time that the PPA is agreed, my client will not be withdrawing its objection to the scheme.

Should the Inspectorate have any further queries, please do not hesitate to contact me using the details below.

With kind regards

Pieter
