Date: 10 June 2020 16:33:06

Dear Planning Inspectorate,

Thank you for consulting London Borough of Havering concerning the *Adequacy of Consultation* in respect of the application by Highways England for an Order Granting Development Consent for the M25 junction 28 improvements.

London Borough of Havering is satisfied that the scheme promoter has complied, in relation to the application, with the *Duty to consult* as set out in the Planning Act 2008. Havering has no further comments to make concerning the adequacy of consultation.

Thank you for consulting London Borough of Havering on this matter.

Regards,

Daniel
