1. Introduction

- 1.1.1 This document is a Schedule of Change which outlines updates to the submitted Book of Reference (BoR) (AS-021).
- 1.1.2 Please refer to the BoR extract that displays a tracked changes document utilising the following colouration:
- Red text/modifications will refer to the amendments to the Order limits which have caused changes to the red line and types of acquisition in key areas.
 - The v1 column displays the current value as at Submission, and the v2 column depicts what the new change will look like in the revised BoR (TR010029/EXAM/4.3(3)).
- 1.1.3 It should be noted that the BoR is a document that will need to be updated throughout the Development Consent Order process to reflect changes in ownership or other interests in the land, further responses to diligent enquires, or clarifications to what is shown in the previous BoR.
