Dear Sirs,

M25 junction 28 improvement scheme

Planning Inspectorate reference: TR010029

Highways England's Deadline 3b submission – 25 February 2021

Further to the Examining Authority's (ExA's) Rule 8 letter dated 13 January 2021, please find enclosed with this letter the following documents, which have been requested from the Applicant at Deadline 3b (25 February 2021):

1. The Applicant's comments on London Borough of Havering's Deadline 3a submissions, responses to the Schedule of Changes of the dDCO (REP-040), including their responses to the Written Representations (REP3A-041) and comments on response to the ExA's Written Questions (REP3A-042) (**TR010029/EXAM/9.46**);
2. The Applicant's comments on Transport for London's Deadline 3a submission (**TR010029/EXAM/9.47**);
3. The Applicant's comments on Hinson Parry & Company on behalf of Mr and Mrs Jones of Grove Farm Deadline 3a submission (**TR010029/EXAM/9.48**);
4. An updated Guide to the Application (**TR010029/EXAM/9.1(3)**).

Highways England has not provided comments on every point made within the Deadline 3A responses. In some cases, no comments have been provided to interested parties at Deadline 3A because relevant responses were provided at Deadline 1, 2 or 3A on similar points. For the avoidance of doubt, where Highways England has chosen not to comment on matters raised by Interested Parties this is not an indication Highways England agrees with the point or comment raised or opinion expressed.

I should be grateful if you would acknowledge safe receipt of this letter and arrange for a copy of it and its enclosures to be placed before the Examining Authority.

Yours faithfully,

Thomas Selby
