Dear Sir,

London Borough of Havering (20025659) – LB
Havering response to Applicant’s response to Rule 17 request for information dated
16th April 2021 (REP6-020)

Thank you for the opportunity to comment on REP6-020. These comments relate specifically in relation to response reference PD-017-04 and PD-017-05 in section 2 of REP6-020.

LB Havering welcomes that the Applicant arranged a meeting with the residents of Putwell Bridge Caravan Park and that this meeting was held on 29th April 2021.

Since this meeting Havering has received a further update from the Applicant regarding the discussion with the local residents. LB Havering has also received further information in the form of minutes for the meeting held on 29th April. These further updates have been welcome.

The update received from the Applicant has provided Havering with the assurances it requires that local residents are happy to continue to reside at Putwell Bridge during the duration of the works. Havering also accepts that residents have now been comprehensively briefed on the scheme.

Havering’s concerns regarding the level of engagement between the Applicant and residents of Putwell Bridge have now been satisfactorily addressed.

LB Havering is also now satisfied that the scheme is policy compliant with LDF Policy DC8 Gypsies and Travellers and Local Plan Policy 11 Gypsy and Traveller Accommodation.

The above positions will be reflected in the Statement of Common Ground between Havering and the Applicant that will be submitted by the Applicant at Deadline 7.

Yours faithfully,
