1. Introduction

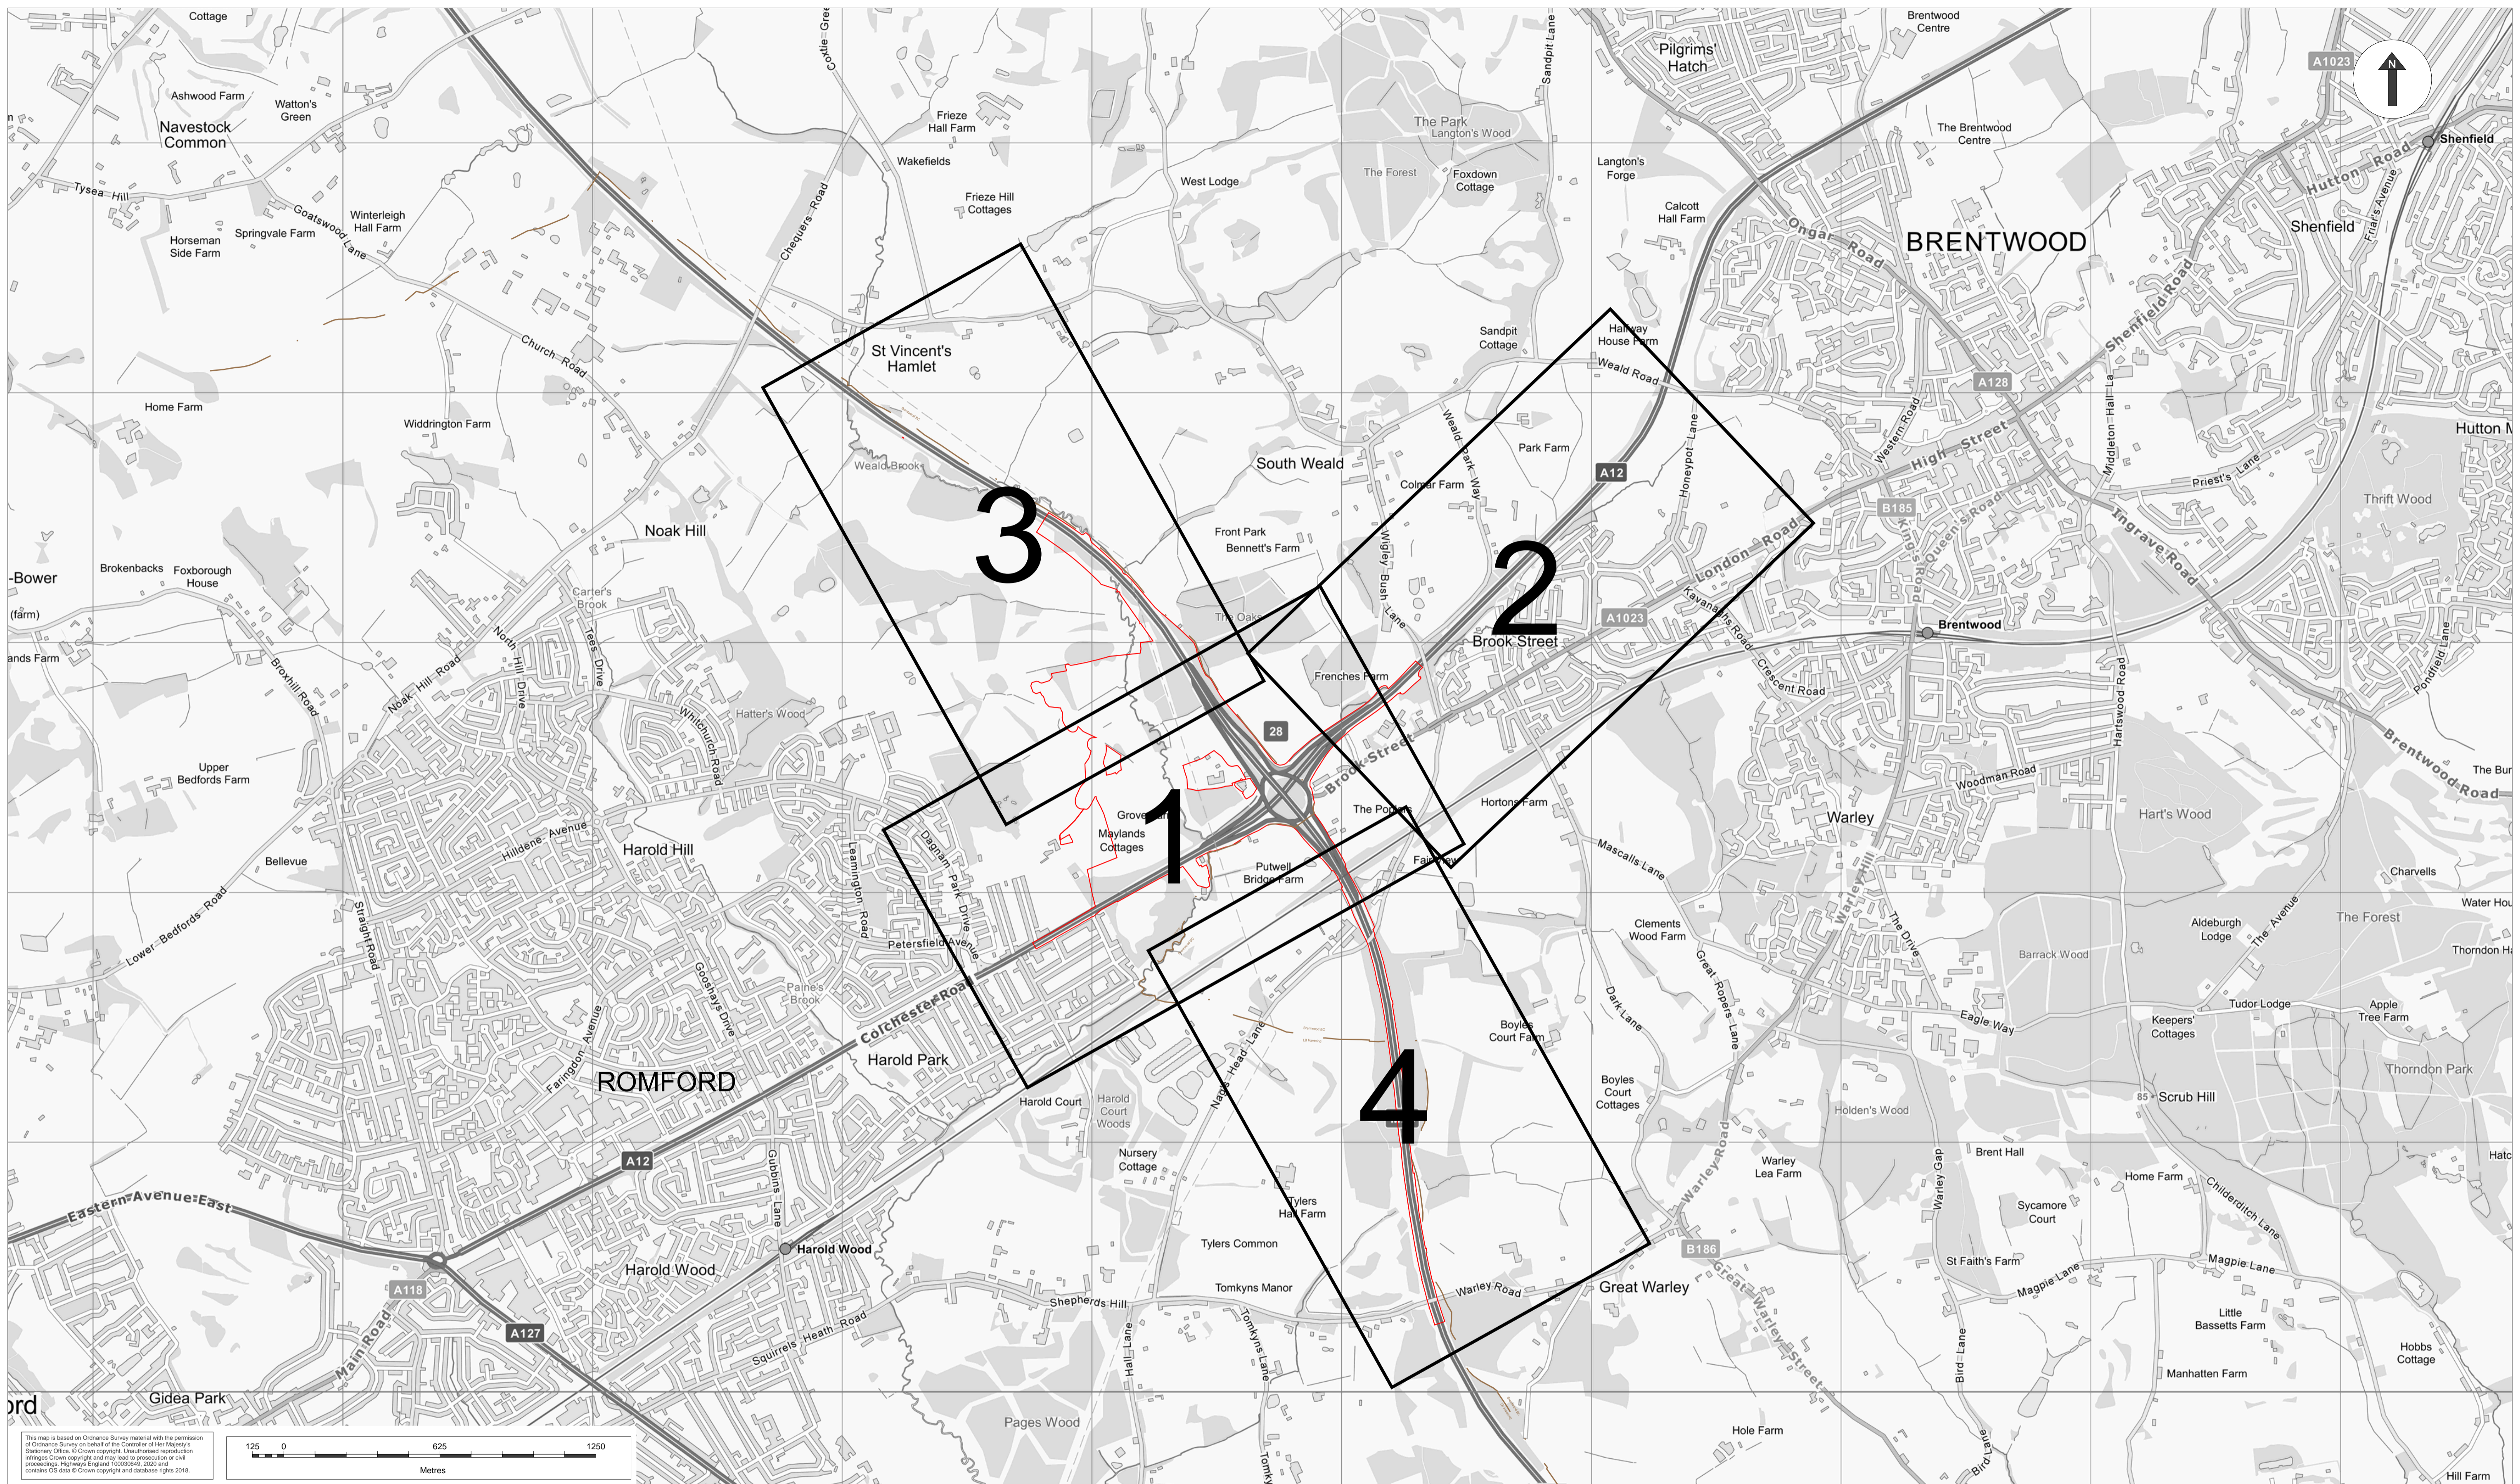

- 1.1.1 Highways England (the “Applicant”) has applied to the Secretary of State for Transport for a Development Consent Order (“DCO”) to authorise a scheme for alterations to the M25 junction 28 (the “Scheme”). The application is submitted to the Planning Inspectorate (the “Inspectorate”) in accordance with section 37 of the Planning Act 2008 (the “2008 Act”). The DCO is seeking powers to alter the existing M25 junction 28, including powers to compulsorily acquire land and other rights and interests as necessary to facilitate the construction, operation and maintenance of the Scheme.
- 1.1.2 This document comprises part of the suite of application documents and is submitted to comply with Regulation 5(2)(i) and Regulation 5(4) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009, which require:
- 5(2)(i) ‘a land plan identifying -*
- (i) the land required for, or affected by, the proposed development*
 - (ii) where applicable, any land over which it is proposed to exercise powers of compulsory acquisition or any right to use land*
 - (iii) any land in relation to which it is proposed to extinguish easements, servitudes and other private rights*
 - (iv) where the land includes special category land and replacement land, that special category and replacement land.’*

5(4) ‘Where a plan comprises three or more separate sheets a key plan must be provided showing the relationship between the different sheets.’

1.1.3 As this document is part of the application documentation, it should be read alongside and is informed by other application documents, in particular, the Book of reference (REP4-019) and subsequent addendums, the relevant schedules to the draft DCO (TR010029/APP/3.1) and the Special category land plans (TR010029/APP/2.11).
