Dear Sir,

London Borough of Havering (20025659) London Borough of Havering Response to Position Statement on status of agreement with third parties (REP9-069)

LB Havering has reviewed the Applicant's submission "Document 9.126 Position statement on status of agreement with third parties".

It notes that there are still a number of issues remaining, regarding drainage which affects the works area within plot 1/ 8 and the loss of the temporary spoil area. Havering remains concerned that these issues affect the operational requirements of the Gardens of Peace and as such until an agreement can be reached between all parties, its objection on policy compliance grounds remains.

Yours faithfully,

[REDACTED]
