Dear Ms Church,

**Section 55 (Acceptance of Applications) of the Planning Act 2008 (as amended by the Localism Act 2011) Consultation**

Thank you for your e-mail, dated 19 June 2019, regarding the application by Highways England for an Order granting Development Consent for the M25 Junction 10/A3 Wisley Interchange proposal.

Whilst I am not aware that Highways England have approached the SDNPA regarding the proposal the SDNPA, due to the distance between the proposal and the National Park, consider it highly unlikely that the proposal would have a meaningful impact upon the National Park so would not expect to have been consulted.

However, if the Planning Inspectorate consider that there is a specific impact arising from the proposal that would impact upon the statutory purposes and duty of the National Park please contact us at [planning@southdowns.gov.uk](mailto:planning@southdowns.gov.uk).

Yours Sincerely,
