Notes on participation, conduct and management of the OFH

Each IP is entitled to make oral representations at the Hearing, subject to the ExA's power to control the Hearing. Individuals who have no formal status in the Examination may participate at the discretion of the ExA.

IPs who have matters they wish to raise in common with others may wish to nominate a spokesperson to present them.

The ExA may ask questions of IPs about matters arising from written and oral submissions.

Anyone wishing to speak is advised not to repeat in oral evidence material that has already been included in their Relevant Representation; this will already have been read by the ExA. Any new evidence presented in oral submissions should be included in post-hearing submissions (including written submissions of oral case) at Deadline 1. This ensures that it has been properly recorded.

Annex D of the Rule 6 letter, dated 15 October 2019, gave a deadline of 5 November to register an interest to attend and/or speak. If you've not yet notified the case team (M25junction10@planninginspectorate.gov.uk) that you wish to participate and now wish to, then please do so by no later than Friday 8 November 2019.

A recording of the OFH will be available on the project website as soon as practicable after the Hearing.
