

**Application by Highways England for an Order Granting Development Consent for the M25 Junction 10/A3 Wisley interchange improvement project**

**Brief Summary submitted by Harry Eve (Respondent number 20022863) 26 November 2019**

**Air Quality and Emissions**

**Adequacy of baseline Assessments**

Disagreement with the current assessment.

**Biodiversity**

Agreement with the additional measures submitted 4 November 2019 but more could be done.

**Climate Change Implications**

Reasons for disagreement with the current project solution.

**Economic and Social Effects**

**Alternatives**

As I disagree with the current proposal I suggest alternatives for consideration.

**Planning Policy**

Evidence backing the current proposal is unrealistic in view of significant changes to national and local planning policy that I anticipate will be necessary.

**Transportation and Traffic**

These points suggest to me that the evidence is not sufficient to support the current proposal.

**Ockham Park Junction**

Reasons for disagreement with the current solution for the Wisley Lane Access and Ockham Park Junction.
