Dear Panel of Examining Inspectors,

Please find below the written submissions from Historic England for Deadline 2: Wednesday 18 December 2019.

Historic England is the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the Department for Digital, Culture, Media and Sport (DCMS). We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

Written submission – Examining Authority's first written questions and requests for information (ExQ1) - Issued on 20 November 2019

Question 1.8.18: Local Authorities and Historic England
Are you content with the justification provided by the Application in Appendix 1.1 of [APP-078] as to why photomontages of the Proposed Development as viewed from key visual receptors have not be provided despite these being requested in the Scoping Opinion.

Historic England response: We did not request photomontages of the proposed development in our scoping opinion response, and therefore cannot comment on this.
<u>Question 1.8.12: Applicant and Historic England</u>
Please provide an update on your progress in compiling a Statement of Common Ground.

Historic England response: We are in discussions regarding the Statement of Common ground, and met on 1 October 2019 to discuss and agree updates. These updates are being reviewed by the applicant's legal team.

Yours sincerely

Isabelle Ryan
