Dear Sirs,

Following a Painshill Resident's meeting we have noticed that the potential site visit for the 14<sup>th</sup> January 2020 is due to start from Guildford , The Mandolay Hotel. I notice that the full itinerary will be available on the 7<sup>th</sup> January 2020 and that accommodation on the provided transport will be limited. As such and due to the fact that up to 6 to 8 residents of Painshill Residences may wish to attend, in order to ease passenger spaces and the necessity to travel to Guildford, we would wish to join the site visit party at Painshill Resident Entrance or nearby only to discuss and view the proposed new access road for The Guiles Association, Painshill Emergency entrance/exit and Court Close Farm access route . If this is possible that would be great.

One of our main contentions for this access road is the back up and further congestion which potentially will occur due to the proximity of the New Access Road to Painshill Roundabout slip road onto the A3 West Bound. To view our concerns you need to travel around Painshill Roundabout at peak times morning and evening to see the existing traffic volume.

When your itinerary for this site visit comes out could you please advise if this would be possible.

Regards,  
Robert J. Brown
