# 1. Introduction

- 1.1.1 This document is an extract of the Book of Reference which was submitted with the application for a Development Consent Order in June 2019 [APP-025] and amended by the Schedule of Change to the Book of Reference [REP2-015] at examination Deadline 2. This document shows only those plots that are altered as a result of the proposed changes to the DCO. These changes are identified as red tracked changes in the document.
- 1.1.2 The amendments to the Order limits have caused changes to the red line and types of acquisition in key areas. The reasons and areas included in the red changes are as follows;
- extension of the proposed land to be temporarily possessed on Cockcrow Bridge (Sheet 4);
  - incorporation of two toad underpasses at Old Lane and other mitigation measures (Sheet 24 and 25);
  - removal of part of the proposed improvements to the A245 eastbound between the Seven Hills Road and Painshill junctions (Sheet 8 and 9); and
  - adjustments to the Order limits in the draft Development Consent Order to accommodate the diversion of a gas main (Sheet 12).
- 1.1.3 With respect to plot 4/22, there is a change to the extent of this plot but this is less than 1m<sup>2</sup>. As a result the area size identified in the Book of Reference will not change as plot area sizes are reported to the nearest square metre unless the whole plot is less than 1m<sup>2</sup>. Therefore this plot does not appear in this document or the accompanying Schedule of Change.
