Dear Sir/Madam

**Planning Act 2008 (as amended) and The Infrastructure Planning  
(Examination Procedure) Rules 2010 (as amended) – Rule 8(3) and 13**

**Application by Highways England for an Order Granting Development Consent  
for the M25 Junction 10 / A3 Wisley Interchange Improvement Scheme**

**Notification of hearings**

We write to advise you that the following hearings will be held under Rule 13 of the  
Infrastructure Planning (Examination Procedure) Rules 2010.

Issue Specific Hearing (ISH3) on Traffic, environmental and socio-economic matters	Wednesday 25 March 2020	10.00am	
Open Floor Hearing (OFH2)	Wednesday 25 March 2020	6:30pm	
Issue Specific Hearing (ISH4) on the draft Development Consent Order	Thursday 26 March 2020	10.00am	

Seating will be available 30 minutes before the start of each hearing.

Those Interested Parties who wish to observe or speak at the hearings should notify  
the case team at the postal or email address above by **Tuesday 17 March 2020**. We

should be grateful if you would inform us if you plan to attend the hearing even if you do not wish to speak. It would also assist us if you could notify us of any requirements you may have (e.g. disabled access, hearing loop etc).

Please ensure that you include your Interested Party reference number in your correspondence. This is provided either in the email covering this letter or on the postcard you have received.

We will aim to publish draft agendas on the M25 Junction 10 / A3 project page of the National Infrastructure Planning website at least one week before the hearings are due to take place. The actual agenda on the day may be subject to change at the discretion of the Examining Authority (ExA).

The ExA, in relation to Crown Land matters, takes this opportunity to request that representatives from the Department for Environment, Food and Rural Affairs and the Department for Transport attend CAH1 on Tuesday 24 March 2020.

The ExA also takes this opportunity to make another slight variation to the timetable under Rule 8(3) to bring forward the Applicant's submission of the Updated Schedule of Changes to the Book of Reference and Negotiations Tracker from deadline 6 to a new deadline 5a, to allow it to be available to all shortly prior to CAH1. Details are in **Annex A**.

If you have any further queries, please do not hesitate to contact us.

Yours faithfully

*Gavin Jones*
