Statutory Undertaker Representations with regard to section 138 Planning Act 2008

Highways England has provided a schedule of statutory undertaker representations to which section 138 of the Planning Act 2008 applies. This was submitted initially at Deadline 2 as REP2-021 and subsequently updated at Deadline 3 [REP3-006], Deadline 4 [REP4-002], Deadline 5a [REP5a-010] and Deadline 6 [REP-007]. An update is provided at Deadline 8 [REP8-026]. No update is provided at this deadline as there is no change to any of positions.

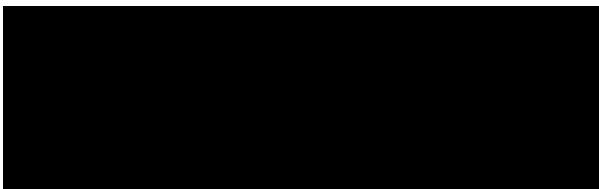

Change 7-Land Interest

In relation to Change 7, through further due diligence, Highways England have found that there is a further land interest consent that needs to be gained for this change that relates to the National Grid's overhead cables in the vicinity of this alternative option. Highways England are progressing to get this consent as soon as possible.

Highways England see no reason why National Grid would not readily give its consent, particularly as the draft DCO includes protective provisions in favour of National Grid (Schedule 9, Part 6) that prohibits Highways England from acquiring any interest in land owned by National Grid or overriding any easement or other interest of National Grid without its consent.

I should be grateful if you would acknowledge safe receipt of this letter and arrange for a copy of it and its enclosures to be placed before the ExA.

Yours faithfully,

Jonathan Wade
