HIGHWAYS ENGLAND M25 JUNCTION 10/A3 WISLEY INTERCHANGE SCHEME SECTION 92 OF THE PLANNING ACT 2008

RULE 13(6) OF THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010

NOTICE OF HEARING RELATING TO THE M25 JUNCTION 10/A3 WISLEY INTERCHANGE SCHEME

PLANNING INSPECTORATE REFERENCE: TR010030

NOTICE IS HEREBY GIVEN that, at the dates, times and places set out below, a virtual Compulsory Acquisition Hearing will be held by the Examining Authority (appointed by the Secretary of State) for the examination of the application made by Highways England for a Development Consent Order ("the DCO") for the M25 junction 10/A3 Wisley interchange scheme ("the Application").

The Application was made to the Secretary of State (via the Planning Inspectorate) under sections 14, 22 and 37 of the Planning Act 2008 on 19 June 2019 and was accepted by the Planning Inspectorate for examination on 17 July 2019. The Application has been given the Planning Inspectorate reference number TR010030.

SUMMARY OF THE SCHEME

The Application seeks development consent for the M25 junction 10/A3 Wisley interchange scheme (the "Scheme"), located within the administrative areas of Elmbridge Borough Council, Guildford Borough Council and Surrey County Council and is needed to reduce congestion, improve safety, support planned housing and economic growth and improve provision for pedestrians, cyclists and horse riders crossing or using routes in the vicinity of M25 junction 10.

The main aspects of the Scheme comprise the following:

- alteration and upgrading of the existing M25 junction 10 roundabout, including: elongation and widening of the circulatory carriageway to increase capacity for right-turning traffic; realignment, lengthening and widening of the junction entry and exit slip roads; and demolition of redundant bridge structures;
- provision of four new dedicated free-flow slip lanes at M25 junction 10, to enable all left-turning traffic to pass through the junction unimpeded by traffic signals;
- conversion of the existing hard shoulders on the M25 through junction 10 to provide an additional running lane for traffic in both directions, including emergency refuge areas and associated modifications to M25 gantries, signage and road markings;
- widening of the A3 to dual four lanes between the Ockham Park junction and the Painshill junction, except where the A3 crosses over M25 junction 10, which will remain as two lanes in each direction;
- new sign gantries on the A3 to provide variable speed limits and lane control between Ockham Park and Painshill junctions;
- widening of the A245 Byfleet Road in part to dual three lanes between the Painshill junction and the Seven Hills Road junction to the west;
- provision of a new dedicated slip lane at the Painshill junction, to enable traffic leaving the northbound A3 to join the westbound A245 to avoid having to use the roundabout;
- improvement of the Ockham Park junction, including installation of traffic signals at the entries to the roundabout and for new crossing facilities for pedestrians and cyclists;
- modification of A3 side road junctions, including: improvement of the Old Lane junction; closure of the Wisley Lane junction and construction of a new road bridging over the A3 to connect Wisley Lane directly with the A3 at Ockham Park junction; and closure of the Elm Lane junction and provision of an alternative access to Elm Corner via Old Lane and an improved section of Byway Open to All Traffic;
- closure of private accesses from the A3 carriageways and the provision of substitute local access arrangements, including a substitute access for properties between Redhill Road and Seven Hills Road (South) via a new highway running alongside the A3 northbound carriageway; a substitute access for properties at Wisley Common from Old Lane and crossing the A3 via the replacement Cockcrow overbridge;
- provision of new and improved facilities for pedestrians, cyclists and horse riders, including: a new 6.3km long route along the A3 corridor between the Ockham Park and Painshill junctions; new and replacement bridges for the benefit of non-motorised users to cross both the M25 and the A3; and new and upgraded public rights of way in the area around M25 junction 10;
- provision of replacement common land and open space in exchange for that needing to be acquired for the Scheme; and
- extensive areas of habitat creation and enhancement and other environmental mitigation work including: measures to compensate for the impacts of the Scheme on the Thames Basin Heaths Special Protection Area and on Bolder Mere; the provision of a new wildlife crossing over the A3 as part of a replacement Cockcrow overbridge; and the reinstatement of landscape and habitats on land used temporarily for Scheme construction.

If the DCO is made by the Secretary of State, it would allow Highways England, for the purpose of constructing, operating and maintaining the Scheme, to acquire compulsorily interests in and rights over land, including the power to create and acquire new rights over land, and to take possession of and to use land temporarily.

The DCO would also make provision for development, which would constitute associated development together with other ancillary matters, including those related to the temporary and permanent stopping up of highways in the vicinity of the Scheme; and the temporary and permanent stopping up of private means of access in the vicinity of the Scheme.

HEARING

The Examining Authority's letter dated 5 May 2020 contains notification of a new deadline for the completion of the Examination and variation to the Examination Timetable. The Compulsory Acquisition Hearing will be conducted virtually either over the internet, or by telephone link for anyone without access to the internet, or by teleconference. You will be able to take part at home on the dates and times set out in the table below.

| Event | Date | Time | Joining Details |
|--|---------------------------|---|---|
| Compulsory Acquisition Hearing (CAH1) Session 1: The Applicant's overarching or strategic case | Tuesday 16 June 2020 | Arrangements Conference at 9:30am Hearing starts 10:00am | Join by digital device or telephone using details to be provided in forthcoming agendas |
| CAH1 Session 2: Plot/Affected Person specific (details to follow at forthcoming agenda) | Wednesday 17 June 2020 | Arrangements Conference at 9:30am Hearing starts 10:00am | |
| CAH1 Session 2: continuation, if required | Thursday 18 June 2020 | Arrangements Conference at 9:30am Hearing starts 10:00am | |

The Examining Authority intends to cover all matters in the above timeframe. However, notification is also made for reserve Compulsory Acquisition Hearing time during the following week in case the Examining Authority considers that it is necessary to use this, for example due to more time being needed or if a session is disrupted by technical or other issues.

| Event | Date | Time | Joining Details |
|--|---------------------------|---|---|
| Compulsory Acquisition Hearing (CAH1) Session 1: The Applicant's overarching or strategic case | Tuesday 23 June 2020 | Arrangements Conference at 9:30am Hearing starts 10:00am | Join by digital device or telephone using details to be provided in forthcoming agendas |
