25th February 2021

Dear Sir / Madam,

Planning Act 2008

Application by Highways England for an order granting development consent for the M25 Junction 10/A3 Wisley Interchange improvement project

Response to Secretary of State request for comments from Interested Parties

Please find Surrey County Council's (SCC) responses to the relevant question posed in the Secretary of State's letter dated 15th February.

Matter 1: Applicant's Response to the Proposal by the Secretary of State for Reduced Replacement Land ("RL")

The County Council has no comment to make on the information that was submitted by Highways England in response to the Secretary of State's consultation letter of 20th January 2021.

The County Council preference, which has been consistent throughout the examination process, is to retain the ratios as set out by Highways England in the dDCO relating to Replacement Land as opposed to any reductions in the ratios.

Yours faithfully

Caroline Smith – Planning Group Manager
