Dear Natasha Kopala,

**RE: Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010**

Thank you for your letter on behalf of the Secretary of State dated 4 February 2022 regarding the application by National Highways (formerly Highways England) for an Order granting development consent to make improvements to the M25 Junction 10/A3 Wisley Interchange.

Please find below the response to the request for comments from Elmbridge Borough Council, regarding question one from the Secretary of State:

**'1. Request for comments from Interested Parties on the Applicant's response to the Secretary of State's consultation letter of 22 December 2021'**

We do not have any further comments to make on the Applicant's response at this stage. We defer to and support comments made by Surrey County Council and Guildford Borough Council, as our joint local authority partners impacted by the DCO, on the Applicant's response.

If you have any further questions, please let us know.

Yours faithfully,

[redacted]
