1 INTRODUCTION

1.1 Purpose of this Document

1.1.1 This Land Plan (this "Plan") relates to an application made by Highways England (the "Applicant") to the Planning Inspectorate (the "Inspectorate") under the Planning Act 2008 (the "2008 Act") for a Development Consent Order (DCO). If made, the DCO would grant consent for the Applicant to undertake the A1 Birtley to Coal House (the "Scheme"). A detailed description of the Scheme can be found in **Chapter 2** of the Environmental Statement (ES) (**Application Document Reference: TR010031/APP/6.1**).

1.1.2 This Plan comprises part of the suite of Application documentation and is included in the Application in compliance with Regulation 5(2)(i), of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), which requires:

"5(2)(i) a land plan identifying:-

- (i) the land required for, or affected by, the proposed development;*
- (ii) where applicable, any land over which it is proposed to exercise powers of compulsory acquisition or any right to use land;*
- (iii) any land in relation to which it is proposed to extinguish easements, servitudes and other private rights; and*
- (iv) where the land includes special category land and replacement land, that special category and replacement land."*

1.1.3 This Plan is also being submitted under Regulation 5(4) of the 2009 Regulations which states:

"Where a plan comprises three or more separate sheets a key plan must be provided showing the relationship between the different sheets."

1.1.4 As this Plan is part of the Application documentation, it should be read alongside and is informed by the other Application documents. In particular, the Plan should be read alongside Schedule 1 of the draft DCO (**Application Document Reference: TR010031/APP/3.1**) and the Book of Reference (**Application Document Reference: TR010031/APP/4.3**).
