Good morning

## **A1 Birtley to Coal House Improvement Scheme**

**Your reference: TR010031**

As per the requirements set out in the Rule 8 letter, Northern Gas Networks Limited (“NGN”) would like to take this opportunity to suggest Plot 3/6c as a potential location for the Accompanied Site Inspection on Tuesday 31 March.

NGN envisage using this opportunity to peg out Plot 3/6c to show the intended layout of the proposed CNG station, allowing the Examining Authority to have a visual understanding of the amount of land NGN wish to occupy in comparison to the size of Plot 3/6c as a whole.

I would be grateful if you could confirm receipt of this email.

Kind regards

Megan
