- 1.1.1 Figure 1 of this appendix supports the authors response to Written Question 1.7.11 of further details of the design and appearance of the noise barrier, and Figure 11.7a Noise Barrier – Birtley Barrier of the ES [APP-083] to include a photograph of a Noise Barrier. Other Harm is addressed by paragraphs 5.4.11 to 5.4.16 of the Planning Statement [APP-171]. Assuming that this section on “other harm” should be broadened to include all environmental effects in addition to landscape and visual effects then this section can be supplemented with information in the Environmental Statement [APP-037] which provides a summary of likely significant effects all environmental effects generated by the Scheme.
