It also aims to help the Examining Authority and interested parties understand the parameters for implementing the DCO and how it will be implemented.
- 1.1.3 This Guide has been submitted with the application and will be updated where necessary throughout the Examination to confirm:
- Any revised versions of any application documents; and / or
 - Any additional documents produced since submission of the application
- that would be certified documents were the Secretary of State to grant development consent on the basis of the DCO as drafted at the point of issue of this Guide.
- 1.1.4 The documents identified in the table below replicate those listed in Schedule 12, ‘Documents to be Certified’ in the draft DCO (**Application Document Reference: TR010031/APP/3.1**).
