Deepest apologies Matt, you had sent this to me in mid March but I failed to find it the morass of my inbox.

As the geophysical survey was largely negative and the area seems to be persistently wet, as with the areas done originally to the north of the A1, this area requires no further work.

Liz, I'll get onto the WSI as soon as I can!

Subject: BCH Allen Archaeology's Geophysics Report

Hi Rachel,

Please find attached Allen Archaeology's geophysics report for the potential additional land for BCH. Would you be able to take a look at it and let us know if any further work will be required so that we can include it in the DCO where necessary.

Kind regards,
Matt
