

Further Issue Specific Hearing Action Points

Application by Highways England for an Order Granting Development Consent for the A1 Birtley to Coal House Improvement Scheme

Summary of actions arising from the Further Issue Specific Hearing held at 10.00am on Tuesday 14 July 2020.

Deadline 11 is 17 July 2020.

Ref	Action	Party	Deadline
1	Provide summary of the mitigation measures in relation to the proposed use of the additional land for the extended construction compound at J67 (including measures to safeguard residential living conditions).	Applicant	D11
2	Provide clarification of the hours of use of the J67 construction compound (including additional land) including any such use outside of the standard construction hours and any necessary measures to control the hours of its use in this regard.	Applicant	D11
3	Provide further details regarding the location of screening bunds within the two alternative illustrative construction compound layouts at J67, including any additional measures needed within the outline CEMP.	Applicant	D11
4	Provide details of the assessment of the effects of the proposed construction compound at J67 (both options) upon the residential use and enjoyment of the gardens of properties at North Farm.	Applicant	D11
5	Provide confirmation of the Council's position regarding the revised wording of Requirement 5 (landscaping) in the draft Development Consent Order (DCO) submitted at Deadline 9.	Gateshead Council	D11
6	Provide confirmation of the position in relation to the revised drafting of Requirement 5, specifically how the drafting has taking account of the guidance in the Planning Practice Guidance regarding conditions requiring agreements.	Applicant	D11
