Dear Ms Church

**Planning Act 2008 (as amended) – Section 55  
Application by National Highways for an Order Granting Development Consent for the  
Lower Thames Crossing Project  
Adequacy of consultation request**

I refer to your letter dated 01 November 2022 concerning the above request.

As an adjoining authority, we were notified of the proposals by National Highways and invited to participate in the pre-application consultation. On that basis, and given that the proposal is unlikely to have any significant impact on the county, we consider that the relevant duty has been met.

Yours sincerely,

  
Caroline Smith  
Planning Group Manager
