Dear Sir or Madam,

I am writing in response to the request of Adequacy of Consultation for the Lower Thames Crossing Project.

Below is a table recording when and how the County Council's Spatial Planning Unit has been consulted in regards to this development.

Date	Consultation Method	Consultation Topic	Content and Documents consulted on
26 th May 2022	Email	Lower Thames Area Model Zone System GIS	Sharing of GIS system
10 th June 2022	Email	Request for point of contact at the authority	N/A
14 th October 2022	Email	Pre-submission letter to Local Authorities	Notification of intent to submit a Development Control Order application by National Highways

Given the above record, the county council feel that there has been adequate consultation and communication with regards to this application. Although no formal response has been given up until this point, the council wishes to be kept informed of the progress of the developments.

Yours Sincerely,

Daniel Clark
Minerals and Waste Planning Officer
