1 Introduction

1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by National Highways (the “Applicant”) to the Planning Inspectorate under the Planning Act 2008 (the “2008 Act”) for a Development Consent Order (“DCO”). If made, the DCO would grant consent for the Applicant to construct, operate and maintain the Lower Thames Crossing (the “Scheme”).
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition (Articles 25 to 34) and powers of temporary possession (Articles 35 and 36) in the DCO for the purposes of the Scheme. For each plot it identifies whether the Applicant is seeking the power to acquire that plot outright, the power to create and/or acquire permanent rights over it, or the power to take temporary possession of the plot for the purposes of constructing and / or maintaining the Scheme. It also lists the persons with land outside the DCO boundary who may be entitled to make a relevant claim for compensation due to the effects of construction or when the new or altered road is in use.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “2009 Regulations”), as amended, and in accordance with the Department for Communities and Local Government guidance ‘Planning Act 2008: Guidance related to procedures for compulsory acquisition’ (September 2013).
- 1.1.4 As this Book of Reference is part of the application documents it should be read in conjunction with the Lands Plans (Application document 2.2), the Crown Land Plans (Application document 2.3), Special Category Land Plans (Application document 2.4), the Statement of Reasons (Application document 4.1) and the draft DCO (Application document 3.1).
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary of how the requirements in the Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.
- 1.1.6 A detailed description of the Scheme can be found in the Introduction to the Application (Application document 1.3) and in ‘The Project’ - Chapter 2 of the Environmental Statement (Application document 6.1).

2 Book of Reference Description

2.1 Part 1 Description

2.1.1 Regulation 7(1)(a) of the 2009 Regulations states:

Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

i.powers of compulsory acquisition;

ii.rights to use land, including the right to attach brackets or other equipment to buildings; or

iii.rights to carry out protective works to buildings

2.1.2 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

2.1.3 A person is within Category 1 if the Applicant, after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

2.1.5 The Applicant has taken the cautious approach of seeking powers of compulsory acquisition (or acquisition of rights) in respect of all plots of land required for the Scheme, even where it already holds an interest or presumes it holds an interest in the land. This approach has been taken to ensure that it has the right to acquire the interests it needs in respect of all of the land within the Order limits, even if an unidentified owner later asserts an interest in land which the Applicant believes it owns.

2.2 Part 2 Description

2.2.1 Regulation 7(1)(b) of the 2009 Regulations states:

Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57

2.2.2 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act.

2.2.3 A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Acquisition Act 1965, a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.

- 2.2.4 It is considered that Category 3 also includes:
- a. Category 1 ‘Owners’ where land is not being acquired.
 - b. All Category 1 ‘Lessees and Tenants’.
 - c. Any Category 2 interests for land within the Order limits.

2.3 Part 3 Description

- 2.3.1 Regulation 7(1)(c) of the 2009 Regulations states:
- Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with***
- 2.3.2 Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with as part of the DCO.
- 2.3.3 Certain relevant category 2 persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.
- 2.3.4 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

2.4 Part 4 Description

- 2.4.1 Regulation 7(1)(d) of the 2009 Regulations states:
- Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made***
- 2.4.2 For the avoidance of doubt, any land held by the Applicant no longer constitutes Crown Land. A transfer scheme made pursuant to the Infrastructure Act 2015 states that the “Highways Agency Designated Undertaking” which is defined as the property and rights which were held for the purposes of Relevant Highway Agency Purposes (activities carried out by the Highways Agency or those which concerned functions relating to the highways) is transferred to the Applicant. This includes, for example, all highways in England previously under the jurisdiction of the Highways Agency unless they have been specifically excluded. As the Applicant is not a government department, nor does it hold said interests on trust, these plots are not considered Crown Land (as per section 227 of the 2008 Act).
- 2.4.3 Crown Land shown in Part 4 of this Book of Reference can also be seen in the Crown Land Plans (Application Document 2.3).

2.5 Part 5 Description

2.5.1 Regulation 7(1)(e) of the 2009 Regulations states:

Part 5 specifies land –

i. the acquisition of which is subject to special parliamentary procedure;

ii. which is special category land;

iii. which is replacement land.

2.5.2 Part 5 of this Book of Reference specifies land that as part of the DCO is acquired subject to special parliamentary procedure, is special category land or is replacement land.

2.5.3 Special Category and Replacement Land shown in Part 5 of this Book of Reference can also be seen in the Special Category Land Plans (Application Document 2.4).

3 Book of Reference Notes

- 3.1.1 Parts 1, 3, 4 and 5 of this Book of Reference provide the area in square metres of all land included in the DCO. Plot descriptions and areas have not been repeated in Part 2 of this Book of Reference.
- 3.1.2 The term ‘approximately’ is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 3.1.3 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second number relates to the individual plot within that sheet, which are split down based on the powers sought over that land and ownership/interest boundaries.
- 3.1.4 The description of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot. The table below is provided to explain the relationship between this Book of Reference, the draft Development Consent Order (Application document 3.1), and the Land Plans (Application document 2.2) and to clarify the powers sought in relation to compulsory acquisition and temporary possession.
- 3.1.5 Table 3.1 is provided to clarify how the descriptions of the principal land use power(s) in this Book of Reference relate to those found in the Land Plans. While there may be minor differences in language between the Book of Reference and the Land Plans, the extent of acquisition as set out in the relevant draft DCO Article remains the same. For example, plots shaded blue in the Land Plans are described as “Temporary Possession of Land and Permanent Acquisition of Rights”, these plots use the shortened description of “Acquisition of rights over...” in this Book of Reference but should be read as having the same meaning as both refer to Article 28 of the draft DCO. “Temporary Possession of Land” is often added to either the Book of Reference or Land Plan description to make clear that land can also be subject to temporary possession powers under article 35(1)(a)(ii) of the draft DCO.

Table 3.1 Relationship with the Land Plans and DCO

| Colour of the plot on Land Plans | Description on land plans | Description of the plot in the Book of Reference | Principal land use power sought | Principal relevant DCO Article |
|---|--|---|--|---------------------------------------|
| Pink | <i>“Permanent Acquisition of Land”</i> | <i>“All interests and rights in...”</i> | Compulsory acquisition of all interests and rights in land (including as required, subsoil, surface land or airspace) | Article 25 |
| Blue | <i>“Temporary Possession of Land and Permanent Acquisition of Rights”</i> | <i>“Acquisition of rights over...”</i> | Creation and compulsory acquisition of new rights (including where necessary, a right to impose restrictive covenants) | Article 28 |
| Green | <i>“Temporary Possession of Land”</i> | <i>“Temporary possession and use of...”</i> | Temporary possession and use of land | Article 35 |
| Yellow | <i>“Permanent Acquisition of Subsoil and Rights”</i> | <i>“Acquisition of subsoil and rights (including restrictions) over ...”</i> | Compulsory acquisition of subsoil together with the creation and compulsory acquisition of new rights (including, where necessary, a right to impose restrictive covenants above that subsoil) | Article 33 |
| Orange | <i>“Permanent Acquisition of Subsoil and Rights and Temporary Possession of Land at Surface”</i> | <i>“Acquisition of subsoil and rights (including restrictions) and temporary possession and use of land at the surface of...”</i> | Compulsory acquisition of subsoil together with the creation and compulsory acquisition of new rights (including, where necessary, a right to impose restrictive covenants above that subsoil) | Article 33 |
| Grey | <i>“Permanent Acquisition of Land”</i> | <i>“All interests and rights in...”</i> | Compulsory acquisition of all interests and rights in land (including as required, subsoil, surface land or airspace) | Article 25 |

3.2 How to use this Book of Reference

- 3.2.1 The table below provides a step by step guide to enable any person with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

Table 3.2 How to use this Book of Reference

| |
|---|
| Step One |
| Look at the Land Plans (Application document 2.2) and find the area (plot(s)) of land in which you have an interest. |
| Step Two |
| Note the colour and the number of the plot(s). |
| Using table 3.1 above, the colour of the plot(s) will tell you of the purpose for which it is required. |
| Step Three |
| Use the plot(s) number to identify where the land is referred to in other DCO Application documents: |
| This Book of Reference – Which provides a brief description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land. |
| The Statement of Reasons (Application document 4.1) – Particularly Annex A, which provides details of the purpose for which compulsory acquisition and temporary possession powers are sought and references each plot in the Book of Reference to these purposes. |
| The draft Development Consent Order (DCO) (Application document 3.1) – Which contains the powers needed to carry out a scheme and includes the powers of compulsory acquisition to assemble the land required that are listed in Table 3.1. |
