

Submission ID: 19087

We refer to Deadline 1 today, which is the last date for Interested Parties to submit their Written Representations.

As set out in SGN's Relevant Representation dated 21 February 2023, SGN has been proactively engaged with the Promoter to resolve its concerns relating to the impact of the Promoter's proposal on SGN apparatus. Positive discussions in relation to protections afforded to SGN by the Promoter have been ongoing, but are predicted to complete very shortly. Taking this fact into account, and in the interests of efficiency, SGN is therefore providing this brief update to the Examination on the status of its discussions with the Promoter in lieu of a formal Written Representation.

As soon as discussions between SGN and the Promoter have completed, which is expected shortly, we will be in contact again to provide a further update to the Examining Authority.
