142					In regular contact with landowner via agent who is aware of the Project and its effect on their property, particularly in reference to ground investigation works, archaeological trial trenching and land for ecological mitigation. In addition, detailed discussions have taken place concerning (i) Impact of adjoining land leased to a third party for the extraction of Pulverized Fuel Ash (PFA) and (ii) Option agreement (for land within order limits with development potential). As such, opportunities to acquire have been discussed and attempts to progress will continue. A Statement of Common Ground is also being progressed along with an additional tri-partite agreement mitigating the impact of a new public right of way on potential development land.

474	John Beaney	Cat 1	29-40	CA	Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed. 2018-11-27 Meeting On site consultation event 2019-12-05 Meeting On site consultation event 2020-02-24 Meeting On site consultation event	N/A

547	Laureena Saunders	Cat 1	29-40	CA			Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.	N/A

575	Linda Baker	Cat 1	29-40	CA	2018-11-27	Meeting	Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.	N/A

Discussions have also taken place regarding the Rights Holders during various meetings with the Cole family (the majority rights holder). Proposals for replacement common land have been developed over the course of engagement with the Rights Holders and were updated to the current proposal at Community Impacts consultation in June 2021. The status of the common land and the structure of rights and ownership is complex, the Applicant has agreed to fund independent legal advice for the Rights Holders due the specialist issues involved. 718	Orsett Show Ground Limited Tom French - BTF Partnership (as agent)	Cat 1 and 3	32-59	CAR	2017-05-04	Email	Engagement with Orsett Show Ground Limited has taken place since 2018, discussions have also been held during meetings with C. H. Cole & Sons. Proposals for a replacement area for the Showground were presented prior to Design Refinement consultation and subsequently not progressed following feedback from the company. Proposals for a gas pipeline diversion have been refined to reduce impact and the amount of Showground land in the Order Limits. This would ensure that the site could continue to operate during construction of the Project. The Applicant would work with the company to mitigate impacts during construction. Opportunity to acquire the permanent land interests required has been discussed. Correspondence regarding survey access	RR-0805

785	Rita M Beaney	Cat 1	29-40	CA	<p>Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.</p> <p>2018-11-27 Meeting On site consultation event</p> <p>2019-12-05 Meeting On site consultation event</p> <p>2020-02-24 Meeting On site consultation event</p> <p>2020-07-13 Letter Design Refinement consultation notification sent</p> <p>2020-07-13 Meeting On site consultation event</p> <p>2022-05-13 Letter Local Refinement consultation notification sent</p> <p>2022-05-24 Letter Local Refinement consultation extension notification sent</p> <p>2022-07-07 Letter Engagement seeking feedback on proposals for final site and pitch layout</p> <p>2023-01-08 Letter Section 56 notification sent</p>	N/A

On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.			N/A

883	Stephaling Saunders	Cat 1	29-40	CA	Occupier at Gammonfields Way Travellers site. Occupied by way of a licence agreement from Thurrock Council. On site consultation events have been held and attended by Thurrock Council representatives and members of the travelling community to seek feedback on alternative relocation options for this site. During COVID-19 options and engagement were shared via a private Facebook Group as well as engagement by the Traveller Liaison Officer for Thurrock Council. New site agreed in principle by both Thurrock as the Freeholder and by the occupiers. All occupiers will be relocated onto the new site and discussions are ongoing to agree the final details of the design of the site layout. This will enable an indicative plan to be agreed.			N/A
