---

Dear Sir or Madam

Further to my email set out below we have decided to remove the land ownership plan (Appendix 1 – attached to this email for identification purposes) from our recent written representation submission as LTC's consultant and our agent who is dealing with land matters have agreed that some of its content may lead to confusion.

Can you therefore remove the plan from this submission please and remove from the PINS website ? Many thanks.

Whilst writing can you please put me on the list to notify me when documents are uploaded? I have not received any notifications so far.

Thanks

Karen

Please disregard email sent at 10.58 but see below and attached documents

Dear Sir or Madam

I made a submission for 20035885 and received confirmation last night but I have noticed that on inserting the documents I grabbed the wrong appendix 1 so you have a plan that I uploaded which does not relate to this submission.

Can I correct this in some way?

The correct plan that should have been attached is appended to this email.

In addition I also attach a PDF version of the written submission that can be uploaded to the website rather than the word version I submitted.

Thanks

Karen
