Dear [lowerthamescrossing@planninginspectorate.gov.uk](mailto:lowerthamescrossing@planninginspectorate.gov.uk)

Name	<b>Dr Andrew Boswell</b>
Position	<b>Scientist and Consultant</b>
Lower Thames Crossing Registration	<b>20034906</b>
Organisation	<b>Climate Emergency Policy and Planning (CEPP)</b>

Please may I make a late request to attend, and speak if necessary, at the Issue Specific Hearings (ISH) in the first two weeks of September. My apologies - I have only just realised that I should have done this at Procedural Deadline D (PDD) on July 18th (please note, the Examination Timetable at <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/lower-thames-crossing/?ipcsection=exam> doesn't make this entirely clear). I request that the ExA can use their discretion to allow me to attend.

I would primarily be interested in parts of the ISH addressing the climate change impacts of the scheme, also traffic and transportation, and value for money, benefits of scheme.

I would be attending remotely over Teams.

Please confirm,

Many thanks

All the best, Andrew

**Dr Andrew Boswell**
