Dear Sir,

**London Borough of Havering (20035775) – Response to dDCO v4 submitted at Deadline 2 (REP2-004).**

Thank you for the opportunity to provide a response to the Applicant's Draft DCO v4 submitted at Deadline 2 (REP 2-004).

Appendix 1 to this letter contains the response of the London Borough of Havering (LBH) to:

- a. the response of National Highways (in Doc 9.63 REP2-077, pages 67 – 95) to the comments of LBH on the draft DCOv2 submitted to the Examining Authority by NH on 19 December 2022 (AS-038); and
- b. the response of LBH to the dDCO v4 submitted at Deadline 2 (REP2-004).

This document records, in tabulated form, the previous comments of LBH on the dDCO v2 and the response of NH to those comments submitted at D2 in the third column of the table, and the further response of LBH in the fourth column.

Where LBH have comments on the amendments to the dDCO v4 submitted at D2 these are included in the table in the appropriate place following the order of the provisions in the dDCO and are identified as new comments.

Appendix 1, as in its previous version, again:

- i Comments on some of the articles;
- ii Refers to amendments sought to some of the requirements;
- iii Refers to amendments sought to Schedule 12 (Road User Charging provisions); and
- iv Refers to the additional Protective Provisions for the protection of the local highway authorities LBH wish to see included in Schedule 14.

**The Havering you want to be part of**

Yours faithfully,

Daniel Douglas

**Team Leader Transport Planning**
