London Borough of Havering (20035775) – Response to Examination Document Ref: TR010032/EXAM/9.54 (REP2-060); Comments on LIRs Appendix F – London Borough of Havering

Dear Sir,

Thank you for the opportunity to respond to the Applicant's Examination document reference REP2-060. London Borough of Havering (LBH) has reviewed the comments contained in this report and is disappointed that the responses by the Applicant, on the whole, fails to provide detailed technical responses to the issues raised by LBH.

Havering notes that there are still a significant number of discussions to be held with the Applicant on the development of the Section 106 agreement, mitigation and the Statement of Common Ground. The outcomes of these discussions will be reported to the Examining Authority in due course.

Due to the time of the year, a number of the Council's technical specialist have been unable to provide comments on this document for Deadline 3. It is the Council's intention to submit a more detailed response at Deadline 4. The Comments Havering is in a position to offer at this time can be found in Appendix 1,

Yours faithfully,

[REDACTED]
