| Description of the Proposal Please note in regard to: |
| Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods. |
| Description |
| Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s) |
| The creation of a community woodland facility comprising: vehicular access into a 94-space car and coach park, with EV charging points and overflow area; substation; an open sided visitor shelter; a modular café with covered outdoor seating area, bin store, cycle parking and WC facilities; demolition of a grain store and development of a community building including staff welfare and office facilities and outdoor terrace; staff and disabled car parking; demolition of an agricultural machinery store and construction of a Forestry England Barn; service yard and vehicle turning circle; surfaced and unsurfaced woodland paths; creation of six new ponds; countryside heritage and interpretation boards and informal natural play areas at Hole Farm Lane, Great Warley, Brentwood, Essex CM13 3JD. |
| Has the development or work already been started without consent? |
| ○ Yes ⊙ No |
| |
| Listed Building Grading |
| What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)? Onn't know Grade I Grade II* |
| Is it an ecclesiastical building? |
| ○ Don't know○ Yes⊙ No |
| |

| Demolition of Listed Building |
|--|
| Does the proposal include the partial or total demolition of a listed building? ○ Yes ⊙ No |
| Immunity from Listing Has a Certificate of Immunity from Listing been sought in respect of this building? ○ Yes ○ No |
| |
| Listed Building Alterations |
| Do the proposed works include alterations to a listed building? |
| ○ Yes |
| ⊗ No |
| |
| Materials Does the proposed development require any materials to be used? ○ Yes No |

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type:

External walls

Existing materials and finishes:

Building 01 - steel frame with corrugated asbestos cladding. Building 02 - timber frame Building with timber cladding weathered to grey. some blockwork infill. Asbestos clad roofing material.

Proposed materials and finishes:

Building 01 / Community building - timber construction with vertical boarded timber cladding, weathered to grey natural finish. Building 02 / Forestry England barn - timber construction with vertical and heringbone boarded timber cladding, weathered to grey natural finish. Modular cafe - external timber cladding weathered to grey natural finish - OULINE. Open-sided visitor shelter - timber construction - OUTLINE. Substation - TBC (OUTLINE).

Type:

Roof covering

Existing materials and finishes:

Building 01 - corrugated asbestos sheeting. Building 02 - corrugated asbestos sheeting.

Proposed materials and finishes:

Building 01 / Community building - standing seam zinc roof with provision for integrated solar panels to south face. Building 02 / Forestry England barn - standing seam zinc roof plus integrated Solar PV to south face. Modular cafe - flat bituminous roof / green roof. TBC - OUTLINE. Open-sided visitor shelter - timber - OUTLINE.

Type:

Windows

Existing materials and finishes:

No existing windows.

Proposed materials and finishes:

Building 1 / Community building - timber framed external windows, to grey finish. Building 2 / Forestry England barn - none. Modular cafe - shuttered kiosk serving hatch.

Type:

External doors

Existing materials and finishes:

Building 01 - metal security shutters. Building 02 - metal security shutters.

Proposed materials and finishes:

Building 01 / Community building - external timber to grey finish. Building 02 / Forestry England barn - timber weathered to grey natural finish. Modular cafe - external timber to grey finish - OUTLINE.

Type:

Ceilings

| Site Area | | | | |
|---|--|--|--|--|
| What is the measurement of the site area? (numeric characters only). | | | | |
| 99.14 | | | | |
| Unit | | | | |
| Hectares | | | | |
| | | | | |
| | | | | |
| Existing Use | | | | |
| Please describe the current use of the site | | | | |
| The land within the site boundary has historically been managed as arable farmland until September 2022, with access tracks leading to the village of Great Warley and Codham Hall Lane, remnant boundary features and a few small woodland copses. The Agricultural Land Classification is Grade 3 – good to moderate quality. | | | | |
| Is the site currently vacant? | | | | |
| ⊗ Yes ○ No. | | | | |
| ○ No | | | | |
| If Yes, please describe the last use of the site | | | | |
| The site was in arable use for over ten continuous years until September 2022. | | | | |
| When did this use end (if known)? | | | | |
| 30/09/2022 | | | | |
| Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application. | | | | |
| Land which is known to be contaminated | | | | |
| ○ Yes ② No | | | | |
| Land where contamination is suspected for all or part of the site | | | | |
| ○ Yes ② No | | | | |
| A proposed use that would be particularly vulnerable to the presence of contamination | | | | |
| ○ Yes | | | | |
| ⊙ No | | | | |
| | | | | |
| Pedestrian and Vehicle Access, Roads and Rights of Way | | | | |
| Is a new or altered vehicular access proposed to or from the public highway? | | | | |
| | | | | |
| ○ No | | | | |
| Is a new or altered pedestrian access proposed to or from the public highway? ② Yes | | | | |
| ○ No | | | | |
| | | | | |

| Are there any new public roads to be provided within the site? |
|---|
| ○ Yes⊙ No |
| Are there any new public rights of way to be provided within or adjacent to the site? |
| ○Yes |
| ⊙ No |
| Do the proposals require any diversions/extinguishments and/or creation of rights of way? |
| ○Yes |
| ⊙ No |
| If you answered Yes to any of the above questions, please show details on your plans/drawings and state their reference numbers |
| |
| Proposed Highways Masterplan (Hole-Farm_Highways.004 Rev. R01). Proposed Car park bell mouth (Hole-Farm_Highways.003.2 Rev R02). |

| Foul Sewage |
|---|
| Please state how foul sewage is to be disposed of: |
| Mains sewer Septic tank ✓ Package treatment plant Cess pit Other Unknown |
| Are you proposing to connect to the existing drainage system? |
| ✓ Yes◯ No◯ Unknown |
| If Yes, please include the details of the existing system on the application drawings and state the plan(s)/drawing(s) references |
| It is proposed to connect to the existing ditches on the site. The footprint of the existing ditches are shown on the Proposed Drainage Plan (ref HE540039-CJV-HDG-ZZZ_DN000000_Z-DR-CD-000 Rev. R01). The foul drainage from the development is proposed to be collected by new private foul drains which includes domestic flows from the community building and the café kiosk. Domestic flows include flows from staff, visitors, volunteers, customers etc. The existing public sewer records indicate that there are no public sewers within or in proximity to the proposed development site. Therefore, the new foul drainage system will be discharged to two new package treatment plants before entering the surface water drainage system. It is proposed to design two separate systems for the community building and the modular cafe. |
| |
| Assessment of Flood Risk Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) |
| YesNo |
| Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? |
| ○ Yes ⊙ No |
| Will the proposal increase the flood risk elsewhere? ○ Yes ⊙ No |
| How will surface water be disposed of? |
| ✓ Sustainable drainage system |
| Existing water course |
| Soakaway |
| ☐ Main sewer |
| ☐ Pond/lake |
| |
| |

| Trees and Hedges |
|--|
| Are there trees or hedges on the proposed development site? |
| ✓ Yes |
| ○ No |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as |
| part of the local landscape character? |
| ○ Yes |
| ⊙ No |
| If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. |
| |
| |
| Biodiversity and Geological Conservation |
| Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site? |
| To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important |
| biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals. |
| a) Protected and priority species |
| |
| O Yes, on land adjacent to or near the proposed development |
| ○ No |
| b) Designated sites, important habitats or other biodiversity features |
| ✓ Yes, on the development site ✓ Yes, an load adjacent to an agent to approach development. |
| ○ Yes, on land adjacent to or near the proposed development○ No |
| |
| c) Features of geological conservation importance |
| ○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development |
| ⊙ No |
| Supporting information requirements |
| Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the |
| application, sufficient information and assessments to allow the local planning authority to determine the proposal. |
| Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information |
| required by the local planning authority has been submitted. |
| Your local planning authority will be able to advise on the content of any assessments that may be required. |
| |
| |
| Waste Storage and Collection |
| Do the plans incorporate areas to store and aid the collection of waste? |
| · · · · · · · · · · · · · · · · · · · |
| ○ No |
| If Yes, please provide details: |
| |
| |

| A waste and refuse store is located in the north east corner of the Forestry England Barn. It is designed to open out onto Hole Farm Lane, providing easy access for refuse collection. Within the car park, a loading area in grasscrete serves deliveries and waste collection for the modular cafe. |
|--|
| Have arrangements been made for the separate storage and collection of recyclable waste? |
| If Yes, please provide details: |
| Waste and recycling has a dedicated area accessible from the yard area on the east of the Forestry England barn. |
| Residential/Dwelling Units Does your proposal include the gain, loss or change of use of residential units? ○ Yes ⊙ No |
| All Types of Development: Non-Residential Floorspace Does your proposal involve the loss, gain or change of use of non-residential floorspace? Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses. |

Please add details of the Use Classes and floorspace.

Following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. Multiple 'Other' options can be added to cover each individual use. View further information on Use Classes.

| Industrial or Commercial Processes and Machinery |
| Does this proposal involve the carrying out of industrial or commercial activities and processes? |
| |
| ○ No |
| Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site: |
| |
| A Mechanical Ventilation Heat Recovery system is proposed where further ventilation is required for toilets, kitchens and the office. |
| Is the proposal for a waste management development? |
| ○Yes |
| ⊗ No |
| |
| Hazardous Substances |
| Does the proposal involve the use or storage of Hazardous Substances? |
| ○ Yes |
| ⊙ No |
| |
| |
| Trade Effluent |
| Does the proposal involve the need to dispose of trade effluents or trade waste? |
| |
| If Yes, please describe the nature, volume and means of disposal of trade effluents or waste |
| The modular cafe element of the proposals would generate a degree of trade waste but is submitted in outline only, with such details to be reserved. |
| |
| |
| Site Visit |

| Can the site be seen from a public road, public footpath, bridleway or other public land? |
|--|
| ○ No |
| If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? The agent Other person |
| Other person |
| Pre-application Advice |
| Has assistance or prior advice been sought from the local authority about this application? |
| ✓ Yes○ No |
| If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently): |
| Officer name: |
| Title |
| Mr |
| First Name |
| Mike |
| Surname |
| Ovenden |
| Reference |
| 22/06071/PMAJ |
| Date (must be pre-application submission) |
| 19/05/2022 |
| Details of the pre-application advice received |
| Pre-application advice was received the following matters, among others: - The ponds and water features. |
| Prior notifications for permitted development. The requirement to consider policies relating to energy, water efficiency and low carbon generation. |
| - The typologies of any new buildings Hot food provision. |
| - The potential for noise and amenity impacts in relation to the proposed use of the existing access onto the B186 and use of land for car |
| parking The nature of the car park. |
| |

| Authority Employee/Member |
|---|
| With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member |
| It is an important principle of decision-making that the process is open and transparent. |
| For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. |
| Do any of the above statements apply? |
| ○ Yes② No |
| |
| Ownership Certificates and Agricultural Land Declaration |
| Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 - Planning (Listed Buildings and Conservation Areas) Regulations 1990 |
| Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D. |
| Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? |
| ○ Yes⊙ No |
| Can you give appropriate notice to all the other owners/agricultural tenants? (Select 'Yes' if there are no other owners/agricultural tenants) |
| ○ Yes ⊙ No |
| If No, and you cannot trace all the other owners/agricultural tenants, can you give the appropriate notice to one or more owner/agricultural tenant? |
| |
| Certificate Of Ownership - Certificate C |
| I certify/The applicant certifies that: - Neither Certificate A or B can be issued for this application - All reasonable steps have been taken |
| to find out the names and addresses of the other owners* and/or agricultural tenants** of the land or building, or of a part of it, but I have/the applicant has been unable to do so. |
| * 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural tenant' has the meaning given in section 65(8) of the Town and Country Planning Act 1990 |
| The steps taken were: |
| Land Registry search revealed that the southern access track from Codham Hall Lane is unregistered land. It has not been possible to determine the owner of this strip of land. |
| I have/the applicant has given the requisite notice to the persons specified below being persons who, on the day 21 days before the date of this application, were owners/agricultural tenants of any part of the land to which this application relates. |
| Owner/Agricultural Tenant |
| |
| |
| |

| Notice of the application has been published in the following newspaper (circulating in the area where the land is situated) |
|--|
| Brentwood Gazette |
| On the following date (which must not be earlier than 21 days before the date of the application) (DD/MM/YYYY) |
| dd/mm/yyyy |
