**London Borough of Havering (20035775) – Updated Position on Statement of Common Ground between LB Havering and the Applicant**

Dear Sir,

In recent months, the Council has been working closely with the Applicant to try and bring a number of matters contained within the Statement of Common Ground (SOCG) currently set out as “matters under discussion”, to a satisfactory resolution and therefore “matters agreed”.

The accompanied Statement of Common Ground provides the ExA with a snapshot of how LB Havering currently views the outstanding matters. There has been progress in several topic areas where matters previously cited as “matters under discussion” have now been moved to “matters agreed”.

This latest iteration of the SOCG has not yet been agreed with the Applicant, due to internal approval processes.

LB Havering will continue to work constructively with the Applicant to resolve further outstanding issues and intends to submit an updated version of the SoCG at Deadline 7.

Yours faithfully,

[REDACTED]  
Daniel Douglas
