**London Borough of Havering (20035775) – Comments on Applicant’s Proposed Protective Provisions for Local Highway Authorities (REP4-095)**

Dear Sir,

LB Havering notes the Applicant’s submitted protective provisions for Local Highway Authorities (LHA) at Deadline 4 (REP4-095). LB Havering are liaising with the other four LHA with the intention of providing a single agreed response to those protective provisions, which it is thought will be of more assistance to the ExA than five different responses.

The protective provisions were only made available to the LHA at D4 (despite a request for them to be made available earlier) and so it has not been possible to provide a response to the ExA by D5 (there being only 6 working days available between the deadlines for discussions on the drafting between the five authorities). A response will be provided by D6.

Yours faithfully,

[REDACTED]

Daniel Douglas
