PROPOSED NEW PROW	PROW SECTION	FOOTPATH	CYCLEWAY (OBJECTION/NO OBJECTION)	BRIDLEWAY	COMMENT (if applicable)
1. Tilbury Fields routes	proposed PROW on eastern boundary linking FP146 (Two Forts Way) and FP200	Objection - see comment	N/A	N/A	A new Coastal Path footpath link was established in 2022 on the route shown coloured red on the Plan below. FP146 and FP200 are therefore already linked.
2. Heritage Trial	permissive PROW to east of East Tilbury	No objection	N/A	N/A	
	permissive PROW to west of East Tilbury connecting to proposed Goshems Link	Objection	N/A	N/A	
3. Goshems Link	proposed PROW linking Station Road to FP200	Objection	Objection	Objection	Please refer to ISH10 oral submissions and D6 written representations on issues created by new PROWs/bridleway upgrades
4. Station Road WCH Track		Objection	Objection	Objection	Please refer to ISH10 oral submissions and D6 written representations on issues created by new PROWs/bridleway upgrades
5. FP200 south	proposed upgrade to bridleway	N/A	No objection (subject to suitable structures to prevent unauthorised access being permitted)	Objection	Please refer to ISH10 oral submissions and D6 written representations on issues created by new PROWs/bridleway upgrades. In addition, Natural England also object to the upgrading of FP200 to a bridleway - see 2.1.67 of REP5-039 Deadline 5 Submission - 5.4.1.6 Statement of Common Ground between (1) National Highways and (2) Natural England v3.0 (Clean) and Natural England's Written Representation paragraphs 7.1.8 and 7.3.5 - 7.3.8 REP1-262
6. FP200 north	realignment of FP200	No objection	N/A	N/A
