London Borough of Havering (20035775) - Comments on the Applicant's Deadline 5 Submissions

Dear Sir,

Statement of Reasons (Tracked changes version), October 2023, Deadline 5, Version 6.0 [REP5-029] (review encompassed the main report up to page 93).

LB Havering has reviewed this document and noted the changes in relation to EC02. The Council will consider submitting a Representation on change EC02 as requested on 10th November.

Environmental Statement (ES) Appendices, Appendix 2.2 Code of Construction Practice (CoCP), First Iteration of Environmental Management Plan (EMP) (Tracked changes version), October 2023, Deadline 5, Version 5.0 (including Table 7.1 REAC) [REP5-049].

The Council notes the changes that have been made to the REAC. These changes are being reviewed with the intention of having further discussions with the Applicant on these matters.

Stakeholder Actions and Commitments Register (SAC-R) (Tracked changes version), October 2023, Deadline 5, Version 3.0 [REP5-061]

The Council notes the updated wording concerning access to local Public Rights of Way (SAC-R009). The Council has held discussions with the Applicant on this point and understands that the wording will be further strengthened to make explicit that access to local PRow in the car park vicinity will not be affected by the construction works. LB Havering expects this to be reflected within the next iteration of the SAC-R.

Yours faithfully,

Daniel Douglas
