**To:** [Lower Thames Crossing](#)  
**Subject:** Lower Thames Crossing-response to Sec of State letter dated  
**Date:** 29 July 2024 16:23:24

---

From Interested party ref 20034648

With reference to Sec of State's letter dasted 26.7.24 I have the following comments:

1. I support the suggested inclusion of pasragrah 3 as styated in the letter;
2. I support Natural England's response on Thames Estuary SPAS and Ramsar..

I trust these comments will be taken into account to resolve these vital environmental matters.

John Camp
