Interested Party Ref No. LTC-AP1169 Mr D A Stock
Interested Party Ref No. LTC-AP1222 Mrs K Winters
Interested Party Ref No. LTC-AP1239 Mrs M Stock

We are the current land owners of

Top Meadow Golf Club

We are very concerned with the LTC project as we believe the project will massively affect our homes and business. We are concerned about physical interruption, Noise, Vibration & visual impacts, amongst other issues, that the development will have on us.

Could you please log our concerns and our objection to the project and have someone contact me at your earliest convenience

Kind regards
Daniel Stock
