YOUR REF:

Dear Sir/Madam

Project Ref: TR010034
Planning Act 2008 (as amended) – Section 55
Application by Highways England for an Order Granting Development Consent for the A57 Link Roads scheme
Adequacy of Consultation Representation request

Thank you for requesting Cheshire East Council's views on whether Highways England have complied with their legal duties regarding pre-application consultation on the above scheme. Our views have been sought because we share a boundary with an authority within which the proposed scheme is situated.

As the scheme is some distance from Cheshire East and will have no meaningful impact on our Borough, we are not proposing to make any observations on the adequacy of consultation.

Yours sincerely

David Malcolm
