16th September 2021

Dear Mr Dawson

**National Strategic Infrastructure Project
Planning Act 2008 Application for a Development Consent Order for the
proposed A57 Link Roads Scheme
Registration of Interest Response**

Thank you for your consultation regarding the above development. Public Health England (PHE) welcomes the opportunity to comment on your proposals at this stage of the project and can confirm that:

With respect to Registration of Interest documentation, we are reassured that earlier comments raised by us on 17th December 2021 have been addressed. In addition, we acknowledge that the Environmental Statement (ES) has not identified any issues which could significantly affect public health.

PHE is satisfied with the methodology used to undertake the environmental assessment.

Following our review of the submitted documentation we are satisfied that the proposed development should not result in any significant adverse impact on public health. On that basis, we have no additional comments to make at this stage and can confirm that we have chosen **NOT** to register an interest with the Planning Inspectorate on this occasion.

Please do not hesitate to contact us if you have any questions or concerns.

Yours sincerely

On behalf of Public Health England
