Subject: Relevant Rep - portal may not have completed send last night

Hi

I think our relevant rep failed to complete via the portal yesterday evening (looks like it got stuck on an uncompleted box on the form) – it should have come through to you as follows:-

“We have had detailed pre-application discussion with Highways England regarding this scheme which spans our Midlands and North-West Regions. We have no objection to the grant of DCO, matters raised by us have or are being positively addressed. The submitted material reflects our positive engagement with the applicant and we look forwards to providing further technical advice as field investigations are completed and reported upon. We will be happy to memorialise our advice and position through a SoCG with Highways England.”

Apologies

Tim
