# 1. Introduction

- 1.1.1. This document is a Schedule of Change which outlines updates to the submitted Book of Reference (BoR) for Deadline 5.
- 1.1.2. This incorporates changes which have been differentiated with green text identifying the changes since Deadline 1 as a result of further diligent enquiries or changes to the DCO.
- 1.1.3. The v2 column displays the current value as at Deadline 5 Submission, and the v3 column depicts what the new change will look like in the revised BoR.
- 1.1.4. It should be noted that the BoR is a document that will need to be updated throughout the Development Consent Order process to reflect changes in ownership or other interests in the land, further responses to diligent enquiries, or clarifications to what is shown in the previous BoR.
