Dear Sir/Madam,

A57 Link Roads Examination

I ask that you please consider this letter as my formal request to speak at the upcoming Issue Specific Hearing 3 session for the A57 Link Roads Examination on Wednesday 6 April 2022.

As a former resident of Mottram, a former local councillor for the area and now as the Member of Parliament for Stalybridge and Hyde, I would greatly appreciate the opportunity to speak about the enormous benefits the bypass will bring.

I personally have campaigned for the bypass for over twenty years in a fight to ease the unacceptable congestion levels through our villages and significantly reduce journey times from Manchester to Sheffield. I firmly believe the bypass will improve quality of life locally for my constituents and boost our economy.

Every single day thousands of vehicles and HGVs chug through Mottram causing delays, pollution and deterring investment. The bypass will be transformative for residents, businesses, drivers and pedestrians alike and I would be grateful if you would kindly afford me the opportunity to speak about this in greater detail at the hearing.

I look forward to your reply.

Yours faithfully,

Jonathan Reynolds MP
Member of Parliament for Stalybridge and Hyde
