#### **RULE 13(6) OF THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010**

#### **NOTICE OF HEARINGS RELATING TO THE PROPOSED A57 LINK ROADS DEVELOPMENT CONSENT ORDER**

#### **PLANNING INSPECTORATE REFERENCE: TR010034**

NOTICE IS HEREBY GIVEN that, at the dates, times and place set out below, Issue Specific Hearings, Compulsory Acquisition Hearings and an Open Floor Hearing will be held by the Examining Authority (appointed by the Secretary of State) for the examination of the application made by Highways England for a Development Consent Order (“DCO”) for the A57 Link Roads (“the Application”).

The Application was made to the Secretary of State (via the Planning Inspectorate) under sections 14, 22 and 37 of the Planning Act 2008 on 28 June 2021 and was accepted by the Planning Inspectorate for examination on 26 July 2021. The Application has been given the Planning Inspectorate reference number TR010034.

#### **SUMMARY OF THE SCHEME**

The Application seeks development consent for the A57 Link Roads and would authorise the creation of a new bypass between the M67 Junction 4 and A57(T) Mottram Moor and a further bypass between A57(T) Mottram Moor to Woolley Bridge (the “scheme”). The scheme is located within the administrative areas of Tameside Metropolitan Borough Council (TMBC) (in Greater Manchester) and High Peak Borough Council (in Derbyshire).

The main components of the scheme are:

- A new offline bypass of 1.12 miles (1.8km) of dual carriageway road connecting the M67 Junction 4 to A57(T) Mottram Moor Junction.
- A new offline bypass of 0.81 miles (1.3km) of single carriageway road connecting the A57(T) Mottram Moor to the A57 Woolley Bridge.
- Two new junctions, Mottram Moor Junction and Woolley Bridge Junction and improvement works to the existing M67 Junction 4.
- Five new structures (Old Mill Farm Underpass, Roe Cross Road Overbridge, Mottram Underpass, Carrhouse Lane Underpass and River Etherow Bridge).
- One main temporary construction compound area, located on agricultural land to the east of the M67 Junction 4.
- Detrunking, including safety measures from the M67 Junction 4 to Mottram Back Moor Junction, to be agreed with TMBC.
- Safety measures and improvements to the A57 from Mottram Moor Junction to Gun Inn Junction and from Gun Inn Junction to Woolley Bridge Junction, to be agreed with TMBC.

If the DCO is made by the Secretary of State for Transport, it would allow National Highways, for the purpose of constructing, operating and maintaining the scheme, to acquire compulsorily interests in and rights over land, including the power to create and acquire new rights over land, and to take possession of and to use land temporarily.

The DCO would also make provision for ancillary matters including; the temporary alteration, diversion and restriction of the use of streets; permanent stopping-up and alteration of highways, streets and private means of access; traffic regulation, and the amendment, disapplication and modification of relevant legislation.
