OFFICIAL

FAO Planning Inspectorate

With regards to the proposal as in the attached letter.

If the proposal includes any works within close proximity or adjacent to the railway then the applicant is to submit details to:

[REDACTED]

Network Rail would need to ensure that easements to our infrastructure are included within the proposal and that:

- Excavation
- Piling
- Earthworks
- Drainage
- Access arrangements

Would need to be agreed with network rail.

Hi Diane, did we receive any consultations on the A57 Link Roads DCO in Tameside previously? Looks to be some distance from NR land, so unlikely we'll have had any comments?
